

STOCKLAKE PARK SCHOOL WEEKLY BULLETIN – Friday 8th September 2023

Dear Parent/Guardian,

Message from the Principal:

Welcome back to school to all those returning to us after the summer break, and an especially warm welcome to those who are new to us. In both cases, I hope your child's start with us in September has gone smoothly. The first few days are usually the most challenging of the year with a change to routine and new faces and relationships to get used to. I know that parents are keen to see an improvement and development of holiday provision to support them, particularly over the course of the summer. It is in our planning schedule to work on this over the coming weeks with the aim of offering more in the future. Some parents did access the Chiltern Music Therapy sessions we had on offer, and I was pleased to see how well they went. The main bit of feedback from them appears to be it would be good to see more of them.

The summer has been incredibly busy for the site and non-teaching teams, with extensive internal improvements through our buildings. Those of you who drive in to school will have noted we now have some traffic calming speed bumps around the site which support the safety of our children at pick up and drop off; we now have over 200 lights that were upgraded to be more energy efficient; there are a number of additional doors which are now security fobbed providing extra safety for our youngsters; and various parts of the building have had a facelift with some refreshed painting and decorating.

We are in the process of setting the goals for the year for our development plan - I'll write further on these topics in due course.

Once again, a warm welcome back to the school.

Bradley

Message from the Head of School:

I hope that you have enjoyed the summer break. I am happy to welcome the students back into school this week. I have heard already from a few of the students about some of the exciting things they have been doing.

Unfortunately, there are a few issues around transport which the county transport team are trying to resolve. I know that this is adding to the pressure of the number of vehicles coming to the school and I have spoken with the transport team to remind the taxis to arrive for a 9.10am drop off so that parents dropping off at 9am can get in and out first.

Rhonda

Mission Statement

Together, overcoming barriers, enabling each child and young person to reach their full potential

Vision

A future where every child achieves the greatest level of independence, enabling them to become a valued member of society

Message from the OT and physio team

We are pleased to continue to work with PACE who provide our Occupational Therapy and Physiotherapy services. There has been some redistribution of therapy input across both schools, although the overall number of hours provided remains the same this year as last year. One change that has taken place is that to contact your child's OT, their e-mail addresses have changed from '...@thevalefederation.com' to their PACE e-mail addresses. Apologies this was not communicated earlier as we understand there may have been some messages sent over the holidays to the older now defunct e-mail addresses. We'll be in touch confirming those contact details in due course.

RAAC - Reinforced Autoclaved Aerated Concrete in School Buildings

Following the recent press coverage of school building and RAAC (Reinforced Autoclaved Aerated Concrete), Buckinghamshire Council has released an updated statement, which reads:

"The Local Authority have previously carried out desk top surveys of maintained schools using historic drawing information and where necessary carried out onsite inspections and found no buildings within the maintained schools' portfolio as having RAAC present".

As always, we take this matter very seriously and the Leadership Team are working with Buckinghamshire Council to ensure all of our facilities are safe for everyone, at all times.

Date	Content
Friday 29 th September	MacMillan Coffee Morning – cake and recipe book
Wednesday 11 th October	Parents evening
Thursday 19 th October	Makachat café
Friday 20 th October	Last day before Half Term

Mission Statement

Vision
 A future where every child achieves the greatest level of independence, enabling them to become a valued member of society

Easyfundraising challenge!

Did you know you can support MASKS by raising money every time you shop online? More than ever our education facilities need support, and it doesn't cost you or us a penny....

We're using Easyfundraising, a free fundraising platform that allows us to earn money when we shop online. Easyfundraising works with over 7,400 online brands, everyone from Morrison's, Asda, Sainsbury's, eBay, SportsDirect, The Range, Screwfix, M&S, Booking.com, PetsAtHome and everything in between.

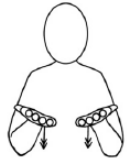

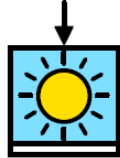

Once signed up all you need to do is start your shopping journey at the Easyfundraising website, use the donation reminder or app (information will be provided when you register) and the brands you shop with will send us a donation based on how much you spend.

With the general cost of living impacting everyone, this isn't about asking you to spend more, but to make you aware that if you are making an on-line purchase anyway, booking travel or taking out insurance by using Easyfundraising you can give to us at the same time, and at no additional cost to you.

76 supporters have raised over £1,350 already!

So please support us today at <https://tinyurl.com/ywpt739y> it only takes 2 minutes and all you need is your email address.

Local Information: HS2 Railway Works:

From Saturday 19 August to Sunday 29 October, the railway between Aylesbury and Princes Risborough stations will remain closed to passengers' trains whilst work takes place to move approximately 1.8km of the line onto a new embankment built by HS2.

Visit <https://bit.ly/BucksHS2> for more information.

Marsh Lane level crossing closure- November 2023 to Spring 2024:

As part of the work to realign the railway, the Marsh Lane level crossing will be closed to allow the engineers and engineering trains safe continuous access to the railway. This means that Marsh Lane level crossing will be closed to pedestrians, cyclists, and vehicles from Saturday 19 August until Spring 2024.

Have a great weekend.
